

Wilderness Auto Service and Chevron would like to let everyone know that we have been approved by Washington military department of emergency management division (EMD. Bre#10582) which allows us to remain open as an essential business to preserve critical business functions for our community.

Our gas, auto repair and U-Haul business will still be available for our community. Safe practices will be followed for our customers and staff.

1. We are offering free pick up and delivery.
2. We are sanitizing every vehicle before and after work is performed as well upon delivery.
3. We offer hand sanitizer before and after entering the store.
4. We can only allow drop off appointment at this time.

Remember that this isn't the end of the world but we will be doing our due diligence to keep it clean.

Thank you from everyone at,  
Wilderness Auto Service and Chevron.
